ALL-NEW, IN-CONTINUITY SERIES!

As defenders of the cosmos go, Rocket Raccoon has faced his fair share of galactic battles. He's been a hero to the weak, a champion of good, a protector of the innocent, a heartthrob to the many intergalactic female species and now--a raccoon on the run?! (I'm sorry, I'm sorry, a "formidable-and-expert-Guardian" on the run. Rocket is NOT a raccoon, okay?) Rocket's high-flying life of adventure and heroism may soon be a thing of the past when he becomes a wanted man—and the authorities are not the only one on his TAIL! (We'll definitely be overusing that pun!)

Superstar creator Skottie Young brings his A-game as writer and artist on the series we've been waiting decades for. Because let's be real, this is the only Guardian of the Galaxy you actually care about. Am I right?
